

## **241. Admissions and Lottery Standards**

The School is open to any individual entitled to attend school in Ohio pursuant to R.C. 3313.64 or 3313.65, except that admission may be limited to the geographic area and grade or age levels specified in the Community School Contract.

The School will not discriminate in the admission of students to the School on the basis of race, creed, color, disability, sex, intellectual ability, measures of achievement or aptitude, or athletic ability, provided, however, that the School may limit admission to students identified as “at risk” in the Community School Contract. Upon admission of a student with a disability, the School will comply with all federal and state laws regarding the education of students with disabilities.

If there are more applicants than there are spaces, a lottery will be conducted in the following manner:

- Each applicant will be assigned a number;
- The numbers will then be drawn at random by a disinterested third party;
- The first number drawn will be the first new applicant placed on a permanent waiting list and so on until all numbers are drawn;
- Applicants on a permanent waiting list prior to any lottery will retain their position on the waiting list;
- The school may separate the lottery and the waiting lists for each grade or age grouping;
- Students attending the previous year and students who reside in the district in which the school is located will have first preference for a position;
- Secondary preference may be given to siblings of existing students and students who are the children of full-time School Staff, provided the total number of students receiving this preference is less than five percent (5%) of the School’s total enrollment.
