

## **STATE WIDE TESTING**

The Interactive Media and Construction (IMAC) is a Community School.

We conduct statewide testing and require Compulsory Attendance. In addition, there may be other requirements for students at the school that are prescribed by law. Students who have been excused from the compulsory attendance law for the purpose of home education as defined by the Administrative Code shall no longer be excused for that purpose upon their enrollment in a community school. For more information about this matter contact the school administration or the Ohio Department of Education.”
